

Load Inspector

Division: Energy

Location: Tilbury

Shift Pattern: 50 hours per week - (Wk 1) Monday to Friday & (Wk2) Monday to Saturday

Salary: £22,568.00 per annum

Reporting to: Site Manager

Stobart Group:

Stobart Group is focused on delivering growth in its three core operating divisions; Aviation, Energy and Rail & Civils. Stobart Group also holds a portfolio of infrastructure assets and investments.

What's the role?

Reporting to the Site Manager you will be responsible for assessing all incoming material suitability and grade, removing all non-wood contamination from raw materials whilst ensuring site remains clean and safe at all times.

What will I be responsible for?

You will direct all traffic movements on and around site safely and efficiently, assessing loads accurately. Using the two-way radio system, you will utilise your strong communications skills between the machine operators and weighbridge and follow all Health and Safety regulations, reporting any accidents or incidents to the Team Leader or Site Manager.

How to Apply:

All applications should be made by sending an up to date CV and covering letter to Energy People Team by emailing the Energy People Team at people@stobartenergy.com

Stobart Group is committed to equal opportunities for all. We provide a fully inclusive and accessible recruitment process, we accept all job applications in a variety of formats and should you need any documents in a different format or require any further support or assistance please contact the People Team at people@stobartenergy.com or the **People Team, Stobart Energy, Viking House, Widnes WA8 0NX**

The successful applicant will be rewarded with a package including company pension scheme and uniform. For Stobart employees: You must inform your line manager in advance if you are short-listed for an interview. **Please be advised that the deadline for applications is 18th September 2020 and that Stobart Energy reserves the right to withdraw this advert at any time.**
