

Sampling and Analysis Support Technician

Division: Energy

Location: Tilbury

Shift Pattern: Monday to Friday 9 – 5

Reporting to: Sampling and Analysis Manager

Stobart Group:

Stobart Group is focused on delivering growth in its two core operating divisions; Aviation & Energy. Stobart Group also holds a portfolio of infrastructure assets and investments.

What's the role?

Stobart Energy is happy to announce a role with the quality department. The Successful candidate will provide a quality resource to external third party processed fuel suppliers and internal processing facilities. Monitor third party sub supplier analysis results to ensure consistency and compliance with contract. The Sampling and Analysis Support Technician will carry out sampling and testing of processed biomass materials, follow methodologies and procedures for assessing incoming material and outbound finished goods.

What will I be responsible for?

You will be responsible for ensuring that the correct procedures, instructions, and forms required for assessing quality of finished goods are followed. Analysing samples for moisture content and particle size distribution and bulk density where applicable. You will prepare and dispatch samples for external chemical testing and liaise with laboratories/couriers. You will help to develop inbound/unprocessed etc quality control checking processes and procedure to ensure good quality fuel can be produced. The successful candidate will assist operations with training and guidance on good quality inbound material in line with finished fuel contracts.

How to Apply:

All applications should be made by sending an up to date CV and covering letter to Energy People Team by emailing the Energy People Team at People@Stobartenergy.com

Stobart Group is committed to equal opportunities for all. We provide a fully inclusive and accessible recruitment process, we accept all job applications in a variety of formats and should you need any documents in a different format or require any further support or assistance please contact the People Team at People@Stobartenergy.com or the **People Team, Stobart Energy, Viking House, Widnes WA8 0NX**

The successful applicant will be rewarded with a package including company pension scheme and uniform. For Stobart employees: You must inform your line manager in advance if you are short-listed for an interview.

Please note that the closing date for applications is **Friday 4th December 2020**. Stobart Energy reserves the right to withdraw this advert following sufficient applications. Applicants should be advised that if they have not heard anything from us within 4 weeks to presume that their application has been unsuccessful.
